

Paradores de Turismo de España was founded by Alfonso XIII of Spain in order to promote tourism in Spain. We are proud to feature the complete range. The Parador Routes are a unique way to explore a region - just ask our specialist reservations team for more information.

Paradores are divided into three categories;

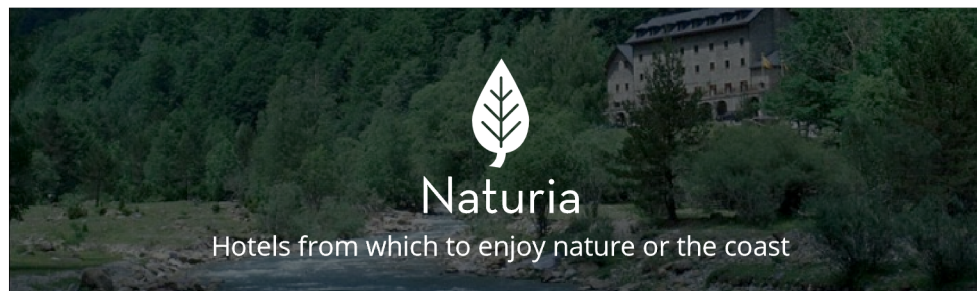

Esencia

Monumental and historic hotels

Civia

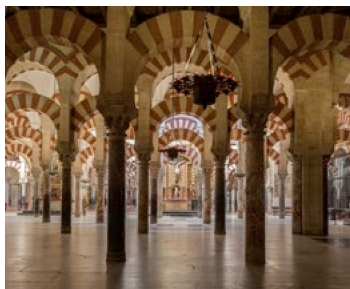

Urban hotels

Naturia

Hotels from which to enjoy nature or the coast

● Andalusia

Featuring prominently in the history of Europe and the Mediterranean, the culture of this fascinating region has been shaped by so many influences.

● Catalonia & Valencian Coast

This beautiful region originated in the 10th century and, in more recent years, has become a sophisticated and important tourist destination.

● Galicia & Green Spain

These regions encompass small fishing towns, hills and valleys, lush forests, steep cliffs and mountains, as well as the Pilgrimage route to Santiago.

● Central Spain

This region comprises Extremaduran countryside, the harsh vine-growing regions of Castilla-La Mancha, small medieval towns and picturesque mountains.
